

*We exist to serve the spiritual, emotional, and physical needs of women and children, orphans, and children with special needs and their families in Ukraine with the love of Christ.*

## Let us do Good to All People (Gal 6:10)

A sweet aroma of praise and thanks ascends to our God's throne from the lips of the grateful believers in Zhitomir amongst the regional churches and from the people ministered to by Mission to Ukraine. God blessed them with the luxurious blessings of dental care and the provision of glasses.

On October 26 - 29 a medical team of 9 brothers and sisters from overseas along with MTU nurses fixed, cleaned, and removed teeth of over 160 people. Additionally, they gave around 180 people the gift of glasses - the gift of sight.

**'See how beautiful my teeth look after cleaning'**, exclaimed Katya coming up to all the patients in the waiting room. Katya, a 30 year old woman from the village, lost both of her parents. She lives alone in a house meekly furnished with a table, a bed, a stove, a light bulb and an electric range; she receives only minimal social payment from the government. If it hadn't been for the medical team, she would not have been able to afford or receive dental care.

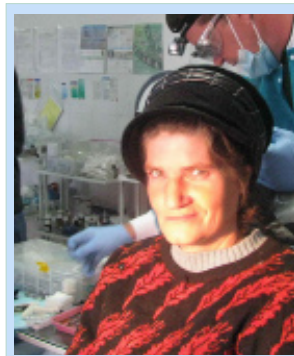

**'I cannot thank our God enough for the care He provided to the poorest people of our church,'** rejoiced Katya's Pastor.

Having received a set of eye-glasses, our brothers and sisters kept saying **'Now I will clearly see the print of the Bible even in the evening'**.

We praise our God for the sacrificial, unselfish, generous, and powerful medical ministry of our brothers and sisters in Christ.
