## He Loves Me?!

Does God love me? Will He take care of me? Will He satisfy my needs? These and similar questions appear in the minds of those who either meet Jesus for the first time or find themselves only in the beginning of their journey with God. To answer these questions and reveal the true Jesus to LifeSavers moms, both American and Ukrainian teams organized a women's day camp on June 18-20 at Mission to Ukraine to minister to 38 women. Not only the women heard the eternal truths about God's attributes and His great love for them, but also they witnessed the friendliness and care and special gifts God had provided for them through the believers. The camp became a valuable opportunity to build friendships, share heart burdens, and have fun at craft time.

On June 21-23 children saved from abortion and their siblings - about 60 children in total - will hear the Good News and enjoy crafts, games, and group fellowship at a three-day camp at MTU.

Hallelujah to the Lord for His faithful laborers who sacrifice their time, energy, and finances to be Jesus to the least of these in Ukraine.
